- Ladybirds have a "no mobile phone" policy. We ask that all parents and carers refrain from using their mobile phone when on the premises. This includes taking photos of the children (including your own) in the setting. Please do not be offended if a member of staff asks you to put your phone away.

I have read and understand this YES/ NO

- We request that parents **keep us up to date with all important contact details**- this includes changes to emergency contact details.

I have read and understand this YES/ NO

- **Children must be collected promptly** at the end of their session due to strict staffing and ratio purposes. Please see our late charges in the session prices- this will take place for every 10 minutes that families collect late.

I have read and understand this YES/ NO

- Please ensure that you **inform us if someone we do not know is going to be collecting** your child at the end of the day. If a change arises during the day, please telephone the office so that we can ensure staff are sending your child home with the correct person and to limit any upset for your child too. **(01295 269931)**

- **If you think you may be eligible for 2 year funding**- we will need your unique reference number prior to your start date. Funding will not be back dated and it is the responsibility of the parents to make sure that we are made aware of the codes before starting.

- Where possible, **we may be able to accommodate additional sessions** as a “one off” booking- this is strictly subject to availability and ensuring staffing ratio’s continue to be in place.
I have read and understand this YES/ NO
- Although you may wish to collect early, or have days off, you will still be charged to ensure that your session remains yours.
I have read and understand this YES/ NO
- **There is no exception to charges for holidays and days off due to the setting having to staff for the session and for the booking to remain yours.**
I have read and understand this YES/ NO
- If you wish to drop a session, the booking will not be held open for you and will therefore move to the next person on our waiting list. We strongly advise that if you are going to need the booking again, that you do not cancel.
I have read and understand this YES/ NO
- We do not recommend that sessions are swapped between families because both families will still be charged for the booking/space.
I have read and understand this YES/ NO
- **If sessions are not used**, Funded or Paid, we are not obliged to keep the session open and therefore will pass on to the next family if no contact or commitment is made. However, we want to be able to support you- please talk to us if we can help in any way here. This also applies to removing sessions if fees are not paid.
I have read and understand this YES/ NO
- **Any changes to your session pattern** will be added to our waiting list and may not be made until the following term. **This includes decreasing and increasing** because this could impact on staffing hours as well as ratio’s. **All requests must be put in writing by emailing ladybirds@hanwellfields.org**
I have read and understand this YES/ NO
- We ask that parents recognise that **we have a legal obligation to be within ratio** and in addition to this we have a maximum number of children that we can have at any one time. We have to be mindful of children’s ages also, as this will impact our ratios. As a result, we ask that you do not turn up un-announced to drop off your child as we may not be able to accommodate you. Please contact us to see if we have any spaces free to help you.
I have read and understand this YES/ NO
- We want all parents to be aware that **if we suspect that a child may have been abused or neglected**, we have a duty of care to report such concerns to the Social Services Department and any other service that may be relevant to such concern.
I have read and understand this YES/ NO
- All school dates/closures/policies can be found on the School Website.

Your co-operation with the above is fully appreciated by the Ladybirds Team to ensure that we can offer and provide a fair service to all of our families. We base our staffing hours on children's booking times and sessions. Although we are offering as much flexibility as we can, we need to ensure there is a consistent booking expectation. This may mean we cannot accommodate a request at short notice- but will try our best!
